

Current report no. 25/2020

Dated 25 September 2020

Regarding entering into the agreement on purchase of electricity produced by UAB “Vydmantai wind park”

UAB “Vydmantai wind park”, a subsidiary of AB INTER RAO Lietuva, has entered into the long-term 3 years electricity purchase agreement with UAB “Electrum Lietuva” a group company of a Latvian company AS "Latvenergo" for all electricity produced by UAB “Vydmantai wind park”.

This agreement will enter into force on 1 January 2021 and will replace the electricity purchase agreement with AB “Ignitis gamyba” as the term of the feed in tariff shall expire 31 December 2020.

Legal grounds: Article 17.1 of the EU Regulation on market abuse No 596/2014.
