Please be informed that Alpiq AG informed Vilnius Regional Court that Alpiq AG waives its claim filed in civil case No. eB2-2568-864/2022.

Based on this on 22 July 2022 Vilnius Regional Court made the ruling to accept the waiver of claim, to discontinue the case regarding the decisions of the meeting of creditors of bankrupt AB INTER RAO Lietuva, taken on the 30th of June, 2022 and to cancel the stay of the extra-judicial bankruptcy proceedings of bankrupt AB INTER RAO Lietuva.
